What is covered?

The summary table on pages 6 and 7 provides all the information that you need to consider before deciding whether to buy this cover but the information below will also help you. If you require full details of our policy terms and conditions please ask to see a policy wording.

Employment practices healthcheck

At the start of your policy, we will arrange a review of your business's employment procedures to identify any possible failings and ensure that your organisation complies with best practice. Once completed, a detailed report will be produced showing, if necessary, areas needing improvement. You must implement any recommendations of the report in order to benefit from full cover under your policy. For maximum convenience and cost-effectiveness to your business, the work is usually carried out either online or by telephone.

Employment disputes & compensation

Employment law changes constantly and keeping on top of it can be a full-time job. You can keep up-to-date and download free employment-related documents from our Business legal services website. If you have a dispute with an employee it can be stressful, time-consuming and very costly to both your finances and reputation. We will pay the legal costs of defending your business if an employee brings a claim against you. We will also pay compensation awarded against you.

Employment restrictive covenants

You may have restrictive covenants in your employment contracts to protect your business interests should an employee or ex-employee attempt to trade in competition with (or work for a competitor of) your business.

Alternatively, you may need to defend a claim where your employee is alleged to have breached their ex-employer's restrictive covenant. Employment Practices Liability will pay the costs to resolve legal disputes that arise from restrictive covenants.

An employment contract that includes a restrictive covenant is available to download for free on the Business legal services website, which also provides guidance notes.

Legal defence

All businesses operate within a complicated framework of legislation. Our Business legal services website can help you to remain compliant but if things go wrong we will pay the legal costs to defend your business throughout a criminal investigation or prosecution, including motoring offences.

Compliance & regulation

Businesses are confronted by ever-increasing burdens from regulatory and professional bodies.

We can help you to appeal against the terms of a statutory notice issued against the business, if your business is investigated by a regulatory body or if employees have to attend a professional or regulatory disciplinary hearing. Where we have defended Health and Safety Executive enforcement action against you that results in Fees For Intervention being charged, you are covered for these fees.

Provided that data protection redress is in place we will defend your business against civil action brought under the Data Protection Act by data subjects seeking compensation. Your employees are also protected if they face civil action arising from an alleged act of unlawful discrimination or in their capacity as a pension fund trustee.

Statutory licence appeals

We will represent you to appeal against the formal written proposal of a licensing or other authority, to change the terms of, suspend, or revoke your business licence or compulsory registration.

Loss of earnings

The insurer will pay salary or wages for time that is lost due to an employee's absence from work to attend court or tribunal at the request of the lawyer acting for you under the policy or to perform jury service.

Important information

Important conditions

You must always contact us first before appointing a solicitor to act for you. If you fail to do this you may prejudice your position and the insurer will not pay costs that they would not have agreed to pay under the terms of your policy.

When we receive your claim, we will have it assessed for reasonable prospects of success. Provided that the event is covered by the policy and your claim is more likely than not to succeed, we will help you under the terms of your policy.

We will recommend mediation to resolve your dispute where appropriate or we will appoint a solicitor, or other suitable expert to act for you from our nationwide panel of specialist firms. The members of our panel are carefully selected based on their expertise and work under strict service standards. They are also audited regularly to ensure they provide the best possible service to our customers.

What happens if I change my mind after taking out the policy?

The policy provides you with a 14-day reflection period in which to decide whether you wish to continue. Cancellation is fully explained in Condition 9 of the policy wording.

What happens if the insurer cannot meet its liabilities?

The insurer is covered by the Financial Services Compensation Scheme (FSCS). You may be entitled to compensation of up to 90% of the cost of your claim in the unlikely event that the insurer cannot meet its obligations. Further information about compensation scheme arrangements is available at www.fscs.org.uk.

The tables on the next page show a summary of cover. For full terms and conditions of the policy, please read the policy wording.

What happens next?

- 1) We will send the insured a written acknowledgment by the end of the next working day after receiving their claim form.
- 2) Within five working days of receiving all the information needed to assess the availability of cover under the policy, we will write to the insured either:
 - a) confirming cover under the terms of your policy and advising the insured of the next steps to progress their claim; or
 - b) if the claim is not covered, we will explain in full the reason why and advise whether we can assist in another way.
- 3) When a representative is appointed they will try to resolve the insured's dispute without delay, arranging mediation whenever appropriate.
- 4) We will check on the progress of the insured's claim with the appointed advisor from time to time. Sometimes matters cannot be resolved quickly, particularly if the other side is slow to cooperate or a legal timetable is decided by the courts.
