Examples of when we can help

Boiler breakdown

During a particularly cold snap last winter, on a Saturday morning, the heating boiler at our insured's rented property broke down. As our insured's tenant had three young children, our insured was keen to resolve the problem as soon as possible.

The insured contacted us and we immediately appointed a contractor who attended later that day and ordered the replacement part needed to complete the repair to the boiler. The part was fitted the following day and the insured's tenant was able to heat their home again.

Burst pipe

Our insured called when a burst pipe in the bathroom of their rented property was causing water to drip through the kitchen ceiling causing damage and distress to their tenants. We arranged for a contractor to carry out an emergency repair on the pipe and stop the leak.

Security

When a burglary left our insured's rented property with a smashed front door window, the insured contacted us as the property was unsecure. We immediately arranged for a contractor to board up the window. A further claim was made on the insured's landlord's insurance for a full replacement door.

When we cannot help

We promise to respond quickly where help is necessary to prevent or reduce damage to your rented property and its furnishings or to make it safe and secure to live in. However, Residential Landlords' Emergency Solutions is not a property maintenance contract. We cannot help you with problems that result from wear and tear or merely cause inconvenience; for example a leaking tap.

There is a requirement to have your boiler serviced annually. We are happy to provide this optional service for you at a competitive rate.

The Summary table which follows provides the information you need to know before deciding whether to purchase cover.

Optional service

We have negotiated competitive rates with our approved contractors for an annual gas boiler service. You can simply call our dedicated service phone number and we will arrange for a local approved firm to get back to you within two hours to agree a convenient time to carry out the service. You are responsible for the contractor's annual service charge and we are confident that you will receive high standard of customer service from our contractors.

Important information

Claims procedure

In the event of a property emergency:

- 1) **Please telephone [dedicated number]** (lines are open 24 hours a day, 365 days a year) as soon as possible, providing us with your name, the insured property's address and postcode, and the nature of the problem.
- 2) We will record your details and then decide on the best course of action to limit your loss and/or repair the damage. If the incident relates to an emergency covered under this policy, we will instruct a member of our emergency contractor network in respect of that claim only. We shall have no liability for any other work carried out by the contractor. Poor weather conditions or remote locations may affect normal standards of service.
- 3) If your property is powered by a biomass boiler, anaerobic digester system, air source heat pump or ground source heat pump, we will check your details and agree for you to choose a suitable expert to help. You will have to pay the contractor and send your receipt to us, we will reimburse your claim. Please send your receipt to **www.arag.co.uk/newclaims** or **ARAG plc, 9 Whiteladies Road, Clifton, Bristol, BS8 1NN**.
- 4) If you are claiming for alternative accommodation costs for your tenant(s) you must obtain our authority to incur costs before any bookings are made. Your tenant(s) will have to pay for the accommodation when they check out and send the receipt to you, to forward to us to be reimbursed.
- 5) It is important you notify us as soon as possible of any claim, and do not call out your own contractor unless we have agreed as we will not pay their costs and it could stop your claim being covered.
- 6) You must report any major emergency which could result in injury or serious damage to the home to the Emergency Services or the company that supplies the service.
- 7) Your call will be answered as soon as possible and may be recorded for training and security purposes.

What happens if I change my mind after taking out the policy?

The policy provides you with a 14-day reflection period in which to decide whether you wish to continue. Cancellation is fully explained in Condition 6 of the policy wording.

What happens if the insurer cannot meet its liabilities?
