Product Information

Target market

Motor Legal Expenses Insurance is designed for car, van and motorhome drivers and motorcyclists who are based in the United Kingdom, Channel Islands and Isle of Man.

Eligibility

- Cover must be sold alongside a motor liability insurance policy.
- Maximum period of insurances bound will be 12 months plus odd time not exceeding 18 months in total.
- Although commercial vehicles can be covered, alternative products are more suitable for Taxis, HGVs, coaches and special vehicle types.

Types of customer for whom the product would be unsuitable

The product is not suitable for those who do not hold a full or provisional license or for non-UK based Risks.

- Duplicate product sales – sales where the customer may have cover elsewhere and are therefore unable to fully utilise the ARAG product negatively impacting value.
- Sales to ineligible customers and sales to customers outside of the product target market would lead to poor value for those customers.
- Ensuring accurate product information and promotion will aid customers' understanding of the product benefits and lead to better awareness and in turn more customers utilising the product. This should be considered both through the sales journey and in any marketing literature and "How to claim" online pages and guides. ARAG provides both training and marketing support material to enable distributors to maximise customer understanding.
- Facilitation of customer marketing communications on legal risk management and legal processes (e.g. prospects of success) is recommended. Legal Advice should be featured prominently as an effective tool in this respect.
