## Product Information

### Target market

Guaranteed Replacement Vehicle is designed for owners of cars or vans (up to 3500kg) who are based in the United Kingdom.

#### Eligibility:

- Cover must be sold alongside a motor liability insurance policy.
- Customers must be domiciled in the United Kingdom.
- Maximum period of insurances bound will be 12 months.
- Customers must hold a valid provisional or full driver's licence.

### Types of customer for whom the product would be unsuitable:

- Non-UK based risks.
- Commercial vehicle owners with exception of taxi drivers depending on individual circumstances.

## Distributor Product Information

ARAG provides Distributor Product Information on:

- Who can buy this product.
- Roles and Responsibilities.
- Target market.
- Types of customers for whom the product would be unsuitable.
- Any notable exclusions where the product will not respond.
- Other information which may be relevant to distributors.

As a distributor we remind you of your responsibility in relation to the Fair Value of the ARAG products that you distribute. Examples of distributor influences on Fair Value include but are not limited to;

- Remuneration – high commission levels or fees may reduce the value of this product for the customer.
- Duplicate product sales – sales where the customer may have cover elsewhere and are therefore unable to fully utilise the ARAG product would negatively impact value.
- Sales to ineligible customers and sales to customers outside of the product target market would lead to poor value for those customers.

## Product Approval Process

Products will be reviewed at least every 12 months or more frequently if any concerns are highlighted. We have the following areas of accountability:

The Product Governance Team provide product oversight and are responsible for Product Reviews and Fair Value Assessments (FVA).

Technical and Trading Underwriting conduct technical performance reviews which form part of the ARAG Product level review.

The Product Governance Forum provides approval and oversight for new products, product development and ongoing approval of existing products via the Product Review Process.

**Product oversight and annual reviews assure us of good customer outcomes.**

## Fair Value Assessment and Customer Outcome Monitoring

In accordance with the FCA PROD 4.2 a customer Fair Value Assessment has been undertaken Guaranteed Replacement Vehicle (GRV).

The intended product value is to provide the customer with a temporary replacement vehicle in the event their vehicle is rendered unusable. Our Fair Value Assessment and Product Review are then designed to ensure that this value statement remains true.

The FVA and Product Review ensure both qualitative and quantitative analysis form part of our value assessment with data thresholds reviewed annually.

### The following data items were assessed:

- Sales outside of eligibility.
- Claims accepted, claims declined and gross claims frequency.
- Average cost, percentage of premiums paid out in claims and commission.
- Servicing, satisfaction and complaints.

### Products & Services Outcome

We checked that the product is designed to meet the demands and needs of the target market in accordance with our target market statements.

- The review concluded that the distribution strategy remains appropriate.
- Gross claims frequency and claims acceptance rates are within tolerance, showing that customers are utilising the product, and when they do it meets their demands and needs.

### Price & Value Outcome

We checked that the price the customer pays is proportionate to the value they receive.

- Our analysis confirmed the product provides fair value for customers and will continue to do so for the foreseeable future.

### Customer Understanding Outcome

We checked that we communicate with customers in a way that allows them to understand their product, next steps and make informed decisions at suitable points throughout the lifecycle of the product.

- Low complaints and high acceptance rates evidence that customers understand our product.

### Customer Support Outcome

We checked that we provide accessible and timely support appropriate to individual needs (including customers with characteristics of vulnerability) enabling them to achieve closure or resolution of their dispute and meet their financial objectives.

- Complaints levels remained within tolerance, demonstrating that customers are satisfied with the support they receive.
- Available data shows high customer satisfaction. We're working to enhance operational and satisfaction data from suppliers.

It's important to note that due to the size and scale of our business and product range our FVA's have been completed at a product level; this has involved a review of the performance of all distribution within the product class.

**Does our GRV product provide fair value? *Yes***

**Ensuring fair value and customer satisfaction through *reviews, data analysis, and continuous improvement efforts.***
